BRENTWOOD
COLLEGE SCHOOL

2027 OVERNIGHT SUMMER CAMPS

Vancouver Island, BC, Canada

MARINE SCIENCES CAMP

Ages 13-17

Week 1 (June 27-July 3)

Coastal Systems & Marine Life Turn the rugged Pacific shoreline into your personal laboratory. Unleash your inner explorer by sea-kayaking hidden inlets and diving headfirst into marine biology field studies with peers from around the globe.

Week 2 (July 4-July 10)

Boats, Whales & Whole Ecosystems Step into Brentwood's high-tech, West Coast labs. Take your skills further by conducting advanced marine research alongside experts and transforming your coastal discoveries into real scientific insight.

MODEL UN & DEBATE CAMP

Ages 13-17

Week 1 (June 27-July 3)

The Art of Persuasion: Master public speaking and ironclad argumentation with techniques used to coach world-class debaters. Students build elite skills and prepare to compete for the Camp Cup.

Week 2 (July 4-10)

Global Diplomacy: Step into the shoes of international delegates to negotiate treaties and solve global crises. Modelled on Brentwood's award-winning Model UN program, this camp offers tailored challenges for all skill levels while building empathy, listening, and eloquence.
