

# Collect Funds

Community Financials collects association funds. Delinquent payments reduce cash flow which can stop work at the property, cause late payment charges and you risk losing that money forever. We follow your collection policy and enforce it. If you don't collect late fees we do and it's a new source of revenue. Plus coming from a third party keeps the board from having to directly hassle neighbors about money.

## PAYMENT METHODS

Check

Online ACH

Online Credit Card
