## Additional Limitations And Conditions Endorsement (Standard)

### I. Land, Water And Air Exclusion Clause

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure land (including but not limited to land on which the insured property is located), water or air, howsoever and wherever occurring, or any interest or right therein. The foregoing exclusion shall not apply to water which is contained in plumbing or firefighting installations in the Assured's buildings at the time of any damage insured by this Policy.

### II. Debris Removal Clause

Nothing contained in this Clause shall override any seepage and/or pollution and/or contamination exclusion or any radioactive contamination exclusion or any other exclusion applicable to this Policy. The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

Any provision within this Policy (or within any other Endorsement which forms part of this Policy) which insures debris removal is cancelled and replaced by the following:

1. In the event of direct physical damage to property, for which Underwriters agree to pay hereunder, or which but for the application of a deductible or underlying amount they would agree to pay (hereinafter in this Clause referred to as "Damage"), this Policy also insures, subject to the limitations below and method of calculation in Clause VI of this Endorsement and to all the other terms and conditions of the Policy, expense:
  - a) which is reasonably and necessarily incurred by the Assured in the removal, from the premises of the Assured at which the Damage occurred, of debris which results from the Damage; and
  - b) of which the Assured becomes aware and advises the amount to Underwriters hereon within one year of the commencement of the Damage;

provided however, that nothing in this Clause shall insure any expense provided under Clause V of this Endorsement.

2. The maximum amount of expense for removal of debris (subject to the limitations of paragraph 1 above) that can be included in the method of calculation in Clause VI of this Endorsement, shall be Nil

UMR: B1311CRE201414

### III. Seepage And/Or Pollution And/Or Contamination Exclusion Clause

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure:

1. any loss, damage, cost or expense; or
2. any increase in insured loss, damage, cost or expense; or
3. any loss, damage, cost, expense, fine, penalty or other sum which is incurred, sustained or imposed by, or by the threat of, any judgement, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation);

which arises from any kind of seepage or any kind of pollution and/or contamination, or threat thereof, whether or not caused by or resulting from a peril insured, or from steps or measures taken in connection with the avoidance, prevention, abatement, mitigation, remediation, clean-up or removal of such seepage or pollution and/or contamination, or threat thereof.

The term "any kind of seepage or any kind of pollution and/or contamination" as used in this Endorsement includes (but is not limited to):

1. seepage of or pollution and/or contamination by anything, including but not limited to that which is designated by any governmental, public or regulatory body or authority as toxic, hazardous, dangerous or deleterious to persons, property or the environment under any law, ordinance, regulation or decree;
2. the presence, existence, or release of anything which endangers or threatens to endanger the health, safety or welfare of persons or the environment.

### IV. Listed Perils Resulting From Seepage And/Or Pollution And/Or Contamination Clause

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion applicable to this Policy. If any of the perils listed below results from seepage and/or pollution and/or contamination, then such resultant perils shall not be excluded solely by the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause.

#### Listed Perils

Fire,  
Explosion.

Nothing in this Clause, however, shall extend this Policy to insure:

1. loss, damage, cost, expense, fine or penalty, or other sum arising from any kind of seepage or any kind of pollution and/or contamination that causes or results from a listed peril; or
2. loss or damage at any premises other than the premises where the listed peril took place; or
3. property and/or interests other than those insured by this Policy against the listed perils.

UMR: B1311CRE201414

## V. Limited Seepage And/Or Pollution And/Or Contamination Resulting From Physical Damage Caused By Listed Perils Clause

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion or, except as set forth herein, the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause. The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

1. If,

- (a) any of the perils listed below is the sole, immediate and direct cause of physical damage to property insured by this Policy against such listed peril (hereinafter in this Clause referred to as "Original Damage"); and
- (b) the Original Damage is the sole, immediate and direct cause of seepage onto, and/or pollution and/or contamination of property which is:
  - (i) at the same premises as the Original Damage; and
  - (ii) insured by this Policy against the listed peril causing the Original Damage; and
- (c) said property is damaged thereby (hereinafter in this Clause referred to as "Resulting Damage");

then this Policy, subject to the following additional terms and limitations and the method of calculation in Clause VI of this Endorsement, also insures:

- (d) the Resulting Damage; and
- (e) the reasonable and necessary expense incurred by the Assured for debris removal and/or clean up which is:
  - (i) limited to the same premises as the Original Damage; and
  - (ii) made necessary solely by the Resulting Damage;

but which shall in no event include any expense of clean up or removal of land, water or air, (which Resulting Damage and expense of debris removal and/or clean up, hereinafter in this Clause are referred to as "Resulting Loss"); provided, however, that this Policy only insures the Resulting Loss where:

- (f) Underwriters have agreed to pay for the Original Damage or, but for the operation of a deductible or underlying amount, would have agreed to pay for the Original Damage; and
- (g) within one year of the commencement of the listed peril which caused the Original Damage, the Assured became aware and advised Underwriters of the amount of:
  - (i) the Resulting Loss; and
  - (ii) any other interest to be claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise.

### Listed Perils

Fire,  
Lightning,  
Explosion.

UMR: B1311CRE201414

Nothing in this Clause, however, shall extend this Policy to cover any condition that existed prior to the Original Damage nor to insure any loss, damage, cost, expense, fine, penalty, or other sum which is incurred, sustained or imposed by, or by the threat of, any judgement, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation) in connection with any kind of seepage or any kind of pollution and/or contamination from any cause.

2. The maximum amount for any Resulting Loss and any other interest claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise, that can be included in the method of calculation in Clause VI of this Endorsement is USD 500,000

#### VI. Method Of Calculation

In calculating the amount, if any, payable under this Policy for a claim including expense of debris removal (as provided for and limited in Clause II of this Endorsement) and/or Resulting Loss (as provided for and limited in Clause V of this Endorsement), the amount of such expense of debris removal and/or such Resulting Loss shall be added to:

- (a) the amount of the Damage (as defined in Clause II) or the amount of the Original Damage (as defined in Clause V); and
- (b) all other amounts, if any, insured under this Policy as a result of the same occurrence that Underwriters hereon agree to pay or, but for the application of a deductible or underlying amount, they would agree to pay;

then the resulting sum shall be the amount of which first all deductibles and then any underlying amounts to which this Policy is subject shall be applied and then balance, if any, shall be the amount payable, subject to all other provisions of this Policy and to the applicable limit(s), sub-limit(s) and aggregate limit(s).

### REINSURERS

#### LIABILITY:

#### **(Re)insurer's liability several not joint**

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

#### Proportion of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

**ORDER HEREON:** 15% of 100%

**BASIS OF WRITTEN LINE:** Percentage of Whole

**SIGNING PROVISION:** In the event that the written lines hereon exceed 100% of the order, any lines written "to stand" will be allocated in full and all other lines will be signed down in equal proportions so that the aggregate signed lines are equal to 100% of the order without further agreement of any of the (Re)Insurers.

However:

a) in the event that the placement of the order is not completed by the commencement date of the period of insurance then all lines written by that date will be signed in full;

b) the (Re)Insured may elect for the disproportionate signing of (Re)Insurers' lines, without further specific agreement of (Re)Insurers, providing that any such variation is made prior to the commencement date of the period of insurance, and that lines written "to stand" may not be varied without the documented agreement of those (Re)Insurers;

c) the signed lines resulting from the application of the above provisions can be varied, before or after the commencement date of the period of insurance, by the documented agreement of the (Re)Insured and all (Re)Insurers whose lines are to be varied. The variation to the contracts will take effect only when all such (Re)Insurers have agreed, with the resulting variation in signed lines commencing from the date set out in that agreement.

**WRITTEN LINES:** In a co-reinsurance placement, following reinsurers may, but are not obliged to, follow the premium charged by the lead reinsurer. Reinsurers may not seek to guarantee for themselves terms as favourable as those which others subsequently achieve during the placement.

## Additional Limitations And Conditions Endorsement (Standard)

### I. Land, Water And Air Exclusion Clause

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure land (including but not limited to land on which the insured property is located), water or air, howsoever and wherever occurring, or any interest or right therein. The foregoing exclusion shall not apply to water which is contained in plumbing or firefighting installations in the Assured's buildings at the time of any damage insured by this Policy.

### II. Debris Removal Clause

Nothing contained in this Clause shall override any seepage and/or pollution and/or contamination exclusion or any radioactive contamination exclusion or any other exclusion applicable to this Policy. The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

Any provision within this Policy (or within any other Endorsement which forms part of this Policy) which insures debris removal is cancelled and replaced by the following:

1. In the event of direct physical damage to property, for which Underwriters agree to pay hereunder, or which but for the application of a deductible or underlying amount they would agree to pay (hereinafter in this Clause referred to as "Damage"), this Policy also insures, subject to the limitations below and method of calculation in Clause VI of this Endorsement and to all the other terms and conditions of the Policy, expense:
  - a) which is reasonably and necessarily incurred by the Assured in the removal, from the premises of the Assured at which the Damage occurred, of debris which results from the Damage; and
  - b) of which the Assured becomes aware and advises the amount to Underwriters hereon within one year of the commencement of the Damage;

provided however, that nothing in this Clause shall insure any expense provided under Clause V of this Endorsement.

2. The maximum amount of expense for removal of debris (subject to the limitations of paragraph 1 above) that can be included in the method of calculation in Clause VI of this Endorsement, shall be Nil

UMR: B1311CRE201414

### III. Seepage And/Or Pollution And/Or Contamination Exclusion Clause

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure:

1. any loss, damage, cost or expense; or
2. any increase in insured loss, damage, cost or expense; or
3. any loss, damage, cost, expense, fine, penalty or other sum which is incurred, sustained or imposed by, or by the threat of, any judgement, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation);

which arises from any kind of seepage or any kind of pollution and/or contamination, or threat thereof, whether or not caused by or resulting from a peril insured, or from steps or measures taken in connection with the avoidance, prevention, abatement, mitigation, remediation, clean-up or removal of such seepage or pollution and/or contamination, or threat thereof.

The term "any kind of seepage or any kind of pollution and/or contamination" as used in this Endorsement includes (but is not limited to):

1. seepage of or pollution and/or contamination by anything, including but not limited to that which is designated by any governmental, public or regulatory body or authority as toxic, hazardous, dangerous or deleterious to persons, property or the environment under any law, ordinance, regulation or decree;
2. the presence, existence, or release of anything which endangers or threatens to endanger the health, safety or welfare of persons or the environment.

### IV. Listed Perils Resulting From Seepage And/Or Pollution And/Or Contamination Clause

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion applicable to this Policy. If any of the perils listed below results from seepage and/or pollution and/or contamination, then such resultant perils shall not be excluded solely by the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause.

#### Listed Perils

Fire,  
Explosion.

Nothing in this Clause, however, shall extend this Policy to insure:

1. loss, damage, cost, expense, fine or penalty, or other sum arising from any kind of seepage or any kind of pollution and/or contamination that causes or results from a listed peril; or
2. loss or damage at any premises other than the premises where the listed peril took place; or
3. property and/or interests other than those insured by this Policy against the listed perils.

UMR: B1311CRE201414

## V. Limited Seepage And/Or Pollution And/Or Contamination Resulting From Physical Damage Caused By Listed Perils Clause

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion or, except as set forth herein, the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause. The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

1. If,

- (a) any of the perils listed below is the sole, immediate and direct cause of physical damage to property insured by this Policy against such listed peril (hereinafter in this Clause referred to as "Original Damage"); and
- (b) the Original Damage is the sole, immediate and direct cause of seepage onto, and/or pollution and/or contamination of property which is:
  - (i) at the same premises as the Original Damage; and
  - (ii) insured by this Policy against the listed peril causing the Original Damage; and
- (c) said property is damaged thereby (hereinafter in this Clause referred to as "Resulting Damage");

then this Policy, subject to the following additional terms and limitations and the method of calculation in Clause VI of this Endorsement, also insures:

- (d) the Resulting Damage; and
- (e) the reasonable and necessary expense incurred by the Assured for debris removal and/or clean up which is:
  - (i) limited to the same premises as the Original Damage; and
  - (ii) made necessary solely by the Resulting Damage;

but which shall in no event include any expense of clean up or removal of land, water or air, (which Resulting Damage and expense of debris removal and/or clean up, hereinafter in this Clause are referred to as "Resulting Loss"); provided, however, that this Policy only insures the Resulting Loss where:

- (f) Underwriters have agreed to pay for the Original Damage or, but for the operation of a deductible or underlying amount, would have agreed to pay for the Original Damage; and
- (g) within one year of the commencement of the listed peril which caused the Original Damage, the Assured became aware and advised Underwriters of the amount of:
  - (i) the Resulting Loss; and
  - (ii) any other interest to be claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise.

### Listed Perils

Fire,  
Lightning,  
Explosion.

UMR: B1311CRE201414

Nothing in this Clause, however, shall extend this Policy to cover any condition that existed prior to the Original Damage nor to insure any loss, damage, cost, expense, fine, penalty, or other sum which is incurred, sustained or imposed by, or by the threat of, any judgement, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation) in connection with any kind of seepage or any kind of pollution and/or contamination from any cause.

2. The maximum amount for any Resulting Loss and any other interest claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise, that can be included in the method of calculation in Clause VI of this Endorsement is USD 500,000

## VI. Method Of Calculation

In calculating the amount, if any, payable under this Policy for a claim including expense of debris removal (as provided for and limited in Clause II of this Endorsement) and/or Resulting Loss (as provided for and limited in Clause V of this Endorsement), the amount of such expense of debris removal and/or such Resulting Loss shall be added to:

- (a) the amount of the Damage (as defined in Clause II) or the amount of the Original Damage (as defined in Clause V); and
- (b) all other amounts, if any, insured under this Policy as a result of the same occurrence that Underwriters hereon agree to pay or, but for the application of a deductible or underlying amount, they would agree to pay;

then the resulting sum shall be the amount of which first all deductibles and then any underlying amounts to which this Policy is subject shall be applied and then balance, if any, shall be the amount payable, subject to all other provisions of this Policy and to the applicable limit(s), sub-limit(s) and aggregate limit(s).

## SECURITY DETAILS

### REINSURERS

#### LIABILITY:

#### **(Re)insurer's liability several not joint**

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

#### Proportion of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

**ORDER HEREON:** 5% of 100%

**BASIS OF WRITTEN LINE:** Percentage of Whole

**SIGNING PROVISION:** In the event that the written lines hereon exceed 100% of the order, any lines written "to stand" will be allocated in full and all other lines will be signed down in equal proportions so that the aggregate signed lines are equal to 100% of the order without further agreement of any of the (Re)Insurers.

However:

a) in the event that the placement of the order is not completed by the commencement date of the period of insurance then all lines written by that date will be signed in full;

b) the (Re)Insured may elect for the disproportionate signing of (Re)Insurers' lines, without further specific agreement of (Re)Insurers, providing that any such variation is made prior to the commencement date of the period of insurance, and that lines written "to stand" may not be varied without the documented agreement of those (Re)Insurers;

c) the signed lines resulting from the application of the above provisions can be varied, before or after the commencement date of the period of insurance, by the documented agreement of the (Re)Insured and all (Re)Insurers whose lines are to be varied. The variation to the contracts will take effect only when all such (Re)Insurers have agreed, with the resulting variation in signed lines commencing from the date set out in that agreement.

**WRITTEN LINES:** In a co-reinsurance placement, following reinsurers may, but are not obliged to, follow the premium charged by the lead reinsurer. Reinsurers may not seek to guarantee for themselves terms as favourable as those which others subsequently achieve during the placement.

Notwithstanding any provision to the contrary within this contract or any endorsement hereto, in respect of non payment of premium only the following clause will apply.

The (Re)Insured undertakes that premium will be paid in full to (Re)Insurers by 90 days from the inception of this contract (or, in respect of instalment premiums, when due).

If the premium due under this contract has not been so paid to (Re)Insurers by the 90th day from the inception of this contract (and, in respect of instalment premiums, by the date they are due) (Re)Insurers shall have the right to cancel this contract by notifying the (Re)Insured via the broker in writing. In the event of cancellation, premium is due to (Re)Insurers on a pro rata basis for the period that (Re)Insurers are on risk but the full contract premium shall be payable to (Re)Insurers in the event of a loss or occurrence prior to the date of termination which gives rise to a valid claim under this contract.

It is agreed that (Re)Insurers shall give not less than 30 days prior notice of cancellation to the (Re)Insured via the broker. If premium due is paid in full to (Re)Insurers before the notice period expires, notice of cancellation shall automatically be revoked. If not, the contract shall automatically terminate at the end of the notice period.

If any provision of this clause is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this clause which will remain in full force and effect.

## Additional Limitations And Conditions Endorsement (Standard)

### I. Land, Water And Air Exclusion Clause

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure land (including but not limited to land on which the insured property is located), water or air, howsoever and wherever occurring, or any interest or right therein. The foregoing exclusion shall not apply to water which is contained in plumbing or firefighting installations in the Assured's buildings at the time of any damage insured by this Policy.

### II. Debris Removal Clause

Nothing contained in this Clause shall override any seepage and/or pollution and/or contamination exclusion or any radioactive contamination exclusion or any other exclusion applicable to this Policy. The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

Any provision within this Policy (or within any other Endorsement which forms part of this Policy) which insures debris removal is cancelled and replaced by the following:

1. In the event of direct physical damage to property, for which Underwriters agree to pay hereunder, or which but for the application of a deductible or underlying amount they would agree to pay (hereinafter in this Clause referred to as "Damage"), this Policy also insures, subject to the limitations below and method of calculation in Clause VI of this Endorsement and to all the other terms and conditions of the Policy, expense:
  - a) which is reasonably and necessarily incurred by the Assured in the removal, from the premises of the Assured at which the Damage occurred, of debris which results from the Damage; and
  - b) of which the Assured becomes aware and advises the amount to Underwriters hereon within one year of the commencement of the Damage;

provided however, that nothing in this Clause shall insure any expense provided under Clause V of this Endorsement.

2. The maximum amount of expense for removal of debris (subject to the limitations of paragraph 1 above) that can be included in the method of calculation in Clause VI of this Endorsement, shall be Nil

UMR: B1311CRE201408

### III. Seepage And/Or Pollution And/Or Contamination Exclusion Clause

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure:

1. any loss, damage, cost or expense; or
2. any increase in insured loss, damage, cost or expense; or
3. any loss, damage, cost, expense, fine, penalty or other sum which is incurred, sustained or imposed by, or by the threat of, any judgement, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation);

which arises from any kind of seepage or any kind of pollution and/or contamination, or threat thereof, whether or not caused by or resulting from a peril insured, or from steps or measures taken in connection with the avoidance, prevention, abatement, mitigation, remediation, clean-up or removal of such seepage or pollution and/or contamination, or threat thereof.

The term "any kind of seepage or any kind of pollution and/or contamination" as used in this Endorsement includes (but is not limited to):

1. seepage of or pollution and/or contamination by anything, including but not limited to that which is designated by any governmental, public or regulatory body or authority as toxic, hazardous, dangerous or deleterious to persons, property or the environment under any law, ordinance, regulation or decree;
2. the presence, existence, or release of anything which endangers or threatens to endanger the health, safety or welfare of persons or the environment.

### IV. Listed Perils Resulting From Seepage And/Or Pollution And/Or Contamination Clause

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion applicable to this Policy. If any of the perils listed below results from seepage and/or pollution and/or contamination, then such resultant perils shall not be excluded solely by the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause.

#### Listed Perils

Fire,  
Explosion.

Nothing in this Clause, however, shall extend this Policy to insure:

1. loss, damage, cost, expense, fine or penalty, or other sum arising from any kind of seepage or any kind of pollution and/or contamination that causes or results from a listed peril; or
2. loss or damage at any premises other than the premises where the listed peril took place; or
3. property and/or interests other than those insured by this Policy against the listed perils.

## V. Limited Seepage And/Or Pollution And/Or Contamination Resulting From Physical Damage Caused By Listed Perils Clause

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion or, except as set forth herein, the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause. The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

1. If,

- (a) any of the perils listed below is the sole, immediate and direct cause of physical damage to property insured by this Policy against such listed peril (hereinafter in this Clause referred to as "Original Damage"); and
- (b) the Original Damage is the sole, immediate and direct cause of seepage onto, and/or pollution and/or contamination of property which is:
  - (i) at the same premises as the Original Damage; and
  - (ii) insured by this Policy against the listed peril causing the Original Damage; and
- (c) said property is damaged thereby (hereinafter in this Clause referred to as "Resulting Damage");

then this Policy, subject to the following additional terms and limitations and the method of calculation in Clause VI of this Endorsement, also insures:

- (d) the Resulting Damage; and
- (e) the reasonable and necessary expense incurred by the Assured for debris removal and/or clean up which is:
  - (i) limited to the same premises as the Original Damage; and
  - (ii) made necessary solely by the Resulting Damage;

but which shall in no event include any expense of clean up or removal of land, water or air, (which Resulting Damage and expense of debris removal and/or clean up, hereinafter in this Clause are referred to as "Resulting Loss"); provided, however, that this Policy only insures the Resulting Loss where:

- (f) Underwriters have agreed to pay for the Original Damage or, but for the operation of a deductible or underlying amount, would have agreed to pay for the Original Damage; and
- (g) within one year of the commencement of the listed peril which caused the Original Damage, the Assured became aware and advised Underwriters of the amount of:
  - (i) the Resulting Loss; and
  - (ii) any other interest to be claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise.

### Listed Perils

Fire,  
Lightning,  
Explosion.

Nothing in this Clause, however, shall extend this Policy to cover any condition that existed prior to the Original Damage nor to insure any loss, damage, cost, expense, fine, penalty, or other sum which is incurred, sustained or imposed by, or by the threat of, any judgement, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation) in connection with any kind of seepage or any kind of pollution and/or contamination from any cause.

2. The maximum amount for any Resulting Loss and any other interest claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise, that can be included in the method of calculation in Clause VI of this Endorsement is USD 500,000

#### VI. Method Of Calculation

In calculating the amount, if any, payable under this Policy for a claim including expense of debris removal (as provided for and limited in Clause II of this Endorsement) and/or Resulting Loss (as provided for and limited in Clause V of this Endorsement), the amount of such expense of debris removal and/or such Resulting Loss shall be added to:

- (a) the amount of the Damage (as defined in Clause II) or the amount of the Original Damage (as defined in Clause V); and
- (b) all other amounts, if any, insured under this Policy as a result of the same occurrence that Underwriters hereon agree to pay or, but for the application of a deductible or underlying amount, they would agree to pay;

then the resulting sum shall be the amount of which first all deductibles and then any underlying amounts to which this Policy is subject shall be applied and then balance, if any, shall be the amount payable, subject to all other provisions of this Policy and to the applicable limit(s), sub-limit(s) and aggregate limit(s).

## SECURITY DETAILS

### REINSURERS LIABILITY:

#### **(Re)insurer's liability several not joint**

The liability of a (re)insurer under this contract is several and not joint with other (re)insurers party to this contract. A (re)insurer is liable only for the proportion of liability it has underwritten. A (re)insurer is not jointly liable for the proportion of liability underwritten by any other (re)insurer. Nor is a (re)insurer otherwise responsible for any liability of any other (re)insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by a (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp. This is subject always to the provision concerning "signing" below.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is a (re)insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other (re)insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

#### Proportion of liability

Unless there is "signing" (see below), the proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown next to its stamp and is referred to as its "written line".

Where this contract permits, written lines, or certain written lines, may be adjusted ("signed"). In that case a schedule is to be appended to this contract to show the definitive proportion of liability under this contract underwritten by each (re)insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together). A definitive proportion (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of a Lloyd's syndicate taken together) is referred to as a "signed line". The signed lines shown in the schedule will prevail over the written lines unless a proven error in calculation has occurred.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

**SIGNING PROVISION:**

In the event that the written lines hereon exceed 100% of the order, any lines written "to stand" will be allocated in full and all other lines will be signed down in equal proportions so that the aggregate signed lines are equal to 100% of the order without further agreement of any of the (Re)Insurers.

However:

a) in the event that the placement of the order is not completed by the commencement date of the period of insurance then all lines written by that date will be signed in full;

b) the (Re)Insured may elect for the disproportionate signing of (Re)Insurers' lines, without further specific agreement of (Re)Insurers, providing that any such variation is made prior to the commencement date of the period of insurance, and that lines written "to stand" may not be varied without the documented agreement of those (Re)Insurers;

c) the signed lines resulting from the application of the above provisions can be varied, before or after the commencement date of the period of insurance, by the documented agreement of the (Re)Insured and all (Re)Insurers whose lines are to be varied. The variation to the contracts will take effect only when all such (Re)Insurers have agreed, with the resulting variation in signed lines commencing from the date set out in that agreement.

**WRITTEN LINES:**

In a co-reinsurance placement, following reinsurers may, but are not obliged to, follow the premium charged by the lead reinsurer. Reinsurers may not seek to guarantee for themselves terms as favourable as those which others subsequently achieve during the placement.
