Premium Payment Clause

Notwithstanding any provision to the contrary within this contract or any endorsement hereto, in respect of non-payment of premium only the following clause will apply.

The (Re)Insured undertakes that premium will be paid in full to (Re)Insurers within **90** days of inception of this contract (or, in respect of instalment premiums, when due).

If the premium due under this contract has not been so paid to (Re)Insurers by the **90th** day from the inception of this contract (and, in respect of instalment premiums, by the date they are due) (Re)Insurers shall have the right to cancel this contract by notifying the (Re)Insured via the broker in writing. In the event of cancellation, premium is due to (Re)Insurers on a pro rata basis for the period that (Re)Insurers are on risk but the full contract premium shall be payable to (Re)Insurers in the event of a loss or occurrence prior to the date of termination which gives rise to a valid claim under this contract.

It is agreed that (Re)Insurers shall give not less than **15** days prior notice of cancellation to the (Re)Insured via the broker. If premium due is paid in full to (Re)Insurers before the notice period expires, notice of cancellation shall automatically be revoked. If not, the contract shall automatically terminate at the end of the notice period.

If any provision of this clause is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this clause which will remain in full force and effect.

Insolvency Clause (Reinsurance)

IN THE EVENT of the insolvency of the reinsured Company, this reinsurance shall be payable directly to the Company, or to its Statutory Successor (being its liquidator, receiver, conservator or other statutory successor) as instructed by the Statutory Successor on the basis of the liability of the Company without diminution because of the insolvency of the Company or because the Statutory Successor of the Company has failed to pay all or a portion of any claim. It is agreed, however, that the Statutory Successor of the Company shall give written notice to the Underwriters of the pendency of a claim against the Company indicating the policy or bond reinsured which claim would involve a possible liability on the part of the Underwriters within a reasonable time after such claim is filed in the conservation or liquidation proceeding or in the receivership, and that during the pendency of such claim, the Underwriters may investigate such claim and interpose, at their own expense, in the proceeding where such claim is to be adjudicated any defence or defences that they may deem available to the Company or its Statutory Successor. The expense thus incurred by the Underwriters shall be chargeable, subject to the approval of the court, against the Company as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to the Company solely as a result of the defence undertaken by the Underwriters.

COMMERCIAL REINSURANCE CERTIFICATE

Values Declared (And Incorrect Declaration Penalty) Condition

The premium for this policy has been based on a statement of values declared to and agreed by underwriters at the inception of this (re)insurance and stated in the Certificate ("the Declared Values").

If the Declared Values are less than 85% of the full replacement value immediately before the loss ("the Correct Values") then any recovery under this policy will be limited to a percentage of the full claim, that percentage being the same as the proportion of the Declared Values to the Correct Values, so if the Declared Values are 70% of the Correct Values then only 70% of the claim will be payable.

Example 1

Declared Value: \$600,000
Correct Value: \$1,000,000
Proportion of Declared Value to Correct Value: 60%

Full claim amount before deductible applied: \$250,000
Payable claim amount before deductible applied: \$150,000

Only 60% of the claim is payable because the Declared Values are 60% of the Correct Values.

Example 2

Declared Value: \$900,000
Correct Value: \$1,000,000
Proportion of Declared Value to Correct Value: 90%

Full claim amount before deductible applied: \$250,000
Payable claim amount before deductible applied: \$250,000

Full claim is payable because the Declared Values are more than 85% of the Correct Values.
