NOTE: Apprentice Millwright Job will be located in Brooks, Alberta

Essential Duties and Responsibilities include but are not limited to the following:

- Read blueprints, diagrams and schematic drawings to determine work procedures
- Install, align, dismantle and move stationary industrial machinery and mechanical equipment, such as pumps, fans, tanks, conveyors, furnaces and generators according to layout plans using hand and power tools
- Inspect and examine machinery and equipment to detect and investigate irregularities and malfunctions
- Install, troubleshoot and maintain power transmission, vacuum, hydraulic and pneumatic systems, and programmable logic controls
- Adjust machinery and repair or replace defective parts
- Operate machine tools such as lathes and grinders to fabricate parts required during overhaul, maintenance or set-up of machinery
- Clean, lubricate and perform other routine maintenance work on machinery
- Construct foundations for machinery or direct other workers to construct foundations
- Assemble machinery and equipment prior to installation using hand and power tools and welding equipment.

Requirements:

- Completion of college/CEGEP/vocational or technical training;
- 2 or more years in a maintenance function; demonstrated experienced in hands-on support of operations, technical and maintenance work teams; (inclusive of time spent as a millwright/industrial mechanic apprentice)
- Leadership of a multi-disciplined work group during operating and turnaround situations would be considered an asset;
- Technical strength coupled with good people skills, and good planning;
- Basic computer skills, written and verbal communication skills;
- Rotating and stationary equipment maintenance experience;
- Foundation in Preventive and predictive maintenance systems;
- RPS/RCM maintenance troubleshooting techniques;
- Superior skills within your area of expertise;
- Must be available for Shift Work.

Work Site Environment: Noisy, Odours, Hot, Cold/refrigerated.

Please note that Applicants will be asked to complete a pre-hire medical and drug and alcohol test. Any offer of employment to the Applicant will be conditional upon passing satisfactory completion of the medical and passing the drug and alcohol test.
