

Do you thrive in a fast-paced and service focused environment? Do you take pride in problem solving and making a meaningful contribution?

We are looking for a self-motivated and dependable Red Seal Electrician with Commercial and Industrial Experience to join our Maintenance Team. This position supports our afternoon shift working Monday to Friday

Who We Are: Established in 1982, Great Little Box Company is a family owned and operated leading manufacturer of Corrugated Boxes, Labels, Protective Packaging, Folding Cartons, and Shipping Supplies. We make almost anything a company will need to package, ship out, and display their products – making us the one stop shop for packaging needs.

We take pride in our initiatives to make safety a priority. We demonstrate this with our structured inhouse training, providing personal protective equipment and our innovative and supportive culture.

Core Responsibilities:

- Assist in day to day maintenance and break down repair of manufacturing equipment.
- Mechanically inclined and able to help with small mechanical projects and issues including pneumatic and hydraulic systems
- Perform and assist in building our preventative maintenance program
- Passionate about safety and leads by example on and off the production floor
- Presents new and innovative ideas for change by collaborating with all divisions to achieve results
- Accurately documenting all works carried out through our CMMS system
- Installing, moving and modifying equipment as required
- Strong troubleshooting and diagnostics skills
- Knowledge of PLC's including Siemens S5 & S7, Allen Bradley SLC 500, Micro Logix, Mitsubishi etc.
- Supporting multiple projects on 5v to 600v systems
- Supporting modernization for safety and reliability improvements
- Ability to read and adapt drawings. As well as design, build and document control and safety systems

Qualifications and Skills:

- Red Seal ticketed Electrician is required
- 5 years post certification experience is required, as well as pneumatic and hydraulic experience
- Current Boom Lift, Scissor Lift, Fall Protection and Fork Lift Ticket is preferred
- Thrives in a true team environment and holds strong interpersonal skills

- Effective multi-tasking ability paired with a passion for organization and drive to work in a fast pace environment
- Comfortable working outside from time to time, as well as performing movements such as bending, crawling, lifting, climbing, pulling and reaching
- Experience with Lean manufacturing and 5S standards is an asset

The People:

- Reports to Maintenance Manager
- Creating a supportive and strategic relationship with the whole maintenance team
- Collaborates and coordinates with the production management to ensure all machines are correctly maintained

Success Measures:

- *Continuous Improvement:* Recommend and Implement strategies to continually improve service and expand the abilities of the department
- *Culture:* A supportive and enthusiastic attitude that provides a positive outlook to not only the maintenance team, but GLBC as a whole
- *Trust:* Uses and approachable and supportive attitude to establish a sense of trust between the maintenance team and production staff

What makes us a great place to work?

We were awarded Canada's Top Small & Medium Employers (2018) published by the Globe and Mail, as well as BC's Top Employers (2018) published by the Vancouver Sun.

We offer employee-based recognition and reward programs including profit sharing, continuous improvement incentives, and companywide performance goals.

We promote a healthy lifestyle with our onsite gym, weekly local fresh fruit and company hiking trips. Throughout the year, we host diversity celebration lunches such as Dhawali, Chinese New Year and many more, organize foosball tournaments and have amazing summer BBQ's. On an annual basis, we hold an employee golf tournament and both a children's and adult holiday party.

When we have a great year, we take all our staff on a trip, on our dime! In previous years, as a company we have traveled to México and Las Vegas to celebrate our success.

GLBC is fully committed to two things – our employees and our customers. We emphasize teamwork but value individual contributions to the team. If you are someone who values customers and a truly Great place to work – Please apply below if interested.

Great Little Box Company

Great people to deal with • Great packaging solutions
