

HVAC TECHNICIAN

Start Rate \$36.69 per hour

\$36.69 to \$41.76 per hour (ATU Bargaining Unit)

Metrolinx is connecting communities across the Greater Golden Horseshoe. Metrolinx operates GO Transit and UP Express, as well as the PRESTO fare payment system. We are also building new and improved rapid transit, including GO Expansion, Light Rail Transit routes, and major expansions to Toronto's subway system, to get people where they need to go, better, faster and easier. Metrolinx is an agency of the Government of Ontario.

Our Willowbrook Facility & Outposts (West) Office is seeking an HVAC Technician to ensure Metrolinx Transit facilities, plant equipment and HVAC systems are operated and maintained in a safe and effective manner.

Key Responsibilities:

- Operating and carrying-out inspections, installation, operation, preventive maintenance and remedial repairs of HVAC systems, boilers, mechanical, and steam controls systems, equipment and related equipment and tools.
- Maintain automated building climate control systems.
- Assisting industrial mechanics (Millwrights) and Plant Electricians with the repairs, maintenance, installation and modification of all process equipment and systems associated with plant facilities.
- Provides guidance to Plant Mechanics, and Plant Servicepersons assigned to assist in maintenance and repairs of HVAC equipment, systems, and various other facility repairs.
- Prepares records for the Supervisor related to inspections, work accomplished, deficiencies noted, vehicle, equipment and material usage.
- Carries out emergency measures resulting from environmental or other accidents.

HOME BASE LOCATION	DAYS OF WORK	SHIFT	OFF DAYS
Willowbrook Rail (125 Judson Street)	Monday to Friday	0900 - 1700	Saturday & Sunday

File Number: WIL001T

Qualifications:

- Minimum of 2 years' experience operating and maintaining gas fired, and air conditioning / refrigeration equipment in a heavy industrial environment, including experience with hoisting and cranes (0-8 Ton capacity).
- Journeyman's License as Gas Technician 1 (G1) obtained through the Technical Standards and Safety Act, 2000, Ontario Regulation 215/01 and Journeyman's License as a Refrigeration & Air Conditioning Mechanic #313A.
- Must have a valid Ontario Class "G" driver's license and must meet corporate standard for a good driving record.

To apply for this position, please submit your resume online, through the Current Opportunities page (http://www.metrolinx.com/en/aboutus/careers/current_opportunities.aspx) on our website no later than **December 06, 2019.**

We thank all applicants for their interest, however, only those selected for further consideration will be contacted. Accommodation will be provided throughout the hiring process, as required.
