

Are you looking for a stable job where you have the opportunity to be home with your family every night?

Do you want to work in a state of art collision center with steady work and high productivity hours?

Are you looking to live in a city with a low cost of living so you have more money in your pocket at the end of the day?

Fix Auto in Lethbridge is looking for an enthusiastic and customer-focused Journeyman Autobody Technician to join our team. You will have the opportunity to maximize your earning potential with us while working in a positive and stable work environment.

At Fix Auto, we want to create raving fans that become customers for life. This opportunity is for someone who is ready for that next step in their career, offering limitless potential for growth in the Fix Auto network. With this new, state of the art facility, we are seeking an exceptionally customer service driven Autobody Technician!

Job Duties:

- Repair vehicles per estimate and according to standards
- Cooperates and assists other personnel in the repair and prepping of vehicles
- Review damage report and estimates of repair cost and plan work to be done
- Maintain a working knowledge of changes in technology and repair techniques

Ideal Requirements:

- Journeyman Autobody Technician
- 2 years of Autobody experience is preferred
- Detail oriented and demonstrate superior quality in all work produced
- Exceptional awareness and compliance with company safety standards and procedures
- Resourceful with a vision to grow within the company
- Ability to work in a fast paced, clean environment
- Valid Driver's License is required

Why work for us?:

- Competitive compensation plan and industry leading benefits
- Access to the latest technology, tools and equipment to support your learning.
- Support from management, technicians and other team members to help you succeed.

- We are busy year-round, with a lot of work as a result of our strong insurance partner relationships.
- Our shop is part of the ICAR Gold Class Program and we offer a clean work environment

Why move to Lethbridge?

Lethbridge is a city of just over 100,000 people and is situated 2 hours south of Calgary in Southern Alberta. With a lower cost of living and short commute times, Lethbridge offers all the amenities of a larger center without the cost and hassle which means a great quality of life for you and your family.

Boasting over 300 days of sunshine every year and being within an hour of the mountains, Lethbridge is a great hub for avid outdoorsmen/women who enjoy skiing, fishing, camping and hunting. Lethbridge also has a variety of attractions and special events every year for the whole family to enjoy!
