

Maintenance Technician - Ocean Falls

We are seeking applications from candidates for a Maintenance Technician in our Ocean Falls Hatchery. This is a "hands-on" position responsible for maintaining the facility and equipment on site.

Responsibilities:

- Identifying repair and maintenance priorities
- Carrying out repairs on equipment, machinery, and facilities
- Able to plan and carry out site projects to completion
- Providing support for Hatchery Manager
- Assisting with production on large capacity smolt facility
- Ensuring safety and quality standards
- Construction skill sets an asset

Requirements:

- Red Seal Electrician is preferred.
- 5+ year experience as a Maintenance Technician
- Strong electrical and mechanical background
- Excellent communication and interpersonal
- Strategic planning and organization skills
- Ability to work with minimum supervision with high emphasis on safety
- Preference will be given to qualified candidates with experience in aquaculture

Please note, this is a remote, camp-based position (8 days on 6 days off) with flights leaving from Port Hardy. We offer a competitive compensation and benefits package.

Closing Date: May 17, 2021

We offer competitive wages, a comprehensive benefits package, and potential for annual company bonus. To be considered for this opportunity with a progressive, growth-oriented company, please submit your resume and cover letter online at:
