

WRC Purifying Ltd. was originally established in 1966, to meet the water treatment needs of Southwestern Ontario. We have continued to grow, with over 50 years' experience, offering our customers high quality service in agriculture, commercial and residential. Our services extend over such areas as water treatment solutions, pumps, water testing, maintenance and well drilling. Today, the business remains family owned and operated, and is located in Norwich, Ontario.

We are looking for a **Licensed Plumber (306A) and/or Plumbing Apprentice**

Are you looking to expand your career with a great company?

Are you a self-motivated individual?

Do you have a passion for problem-solving?

Are you focused on delivering high-quality service and attention to detail to ensure the problem is resolved on the first visit?

Are you a good communicator; both with your peers and the customer?

If you answered **YES** to these questions, then we want to hear from you.

Let me tell you about the role:

We work fast paced, but not at the expense of quality. Attention to detail is important to ensure the job is done right the first time, eliminating callbacks and disappointed customers. A standard work week for plumbers is 44 hours, however during peak periods, overtime will be required. You will be working both outdoors and indoors, alone or as a team. The work can be physically demanding; you may have to stand or crouch for long periods of time and lift heavy materials. Regular communication with your team will be key to success.

Safety is our #1 priority, so consistently reviewing your work environment and working safe is a must.

You will be installing water treatment systems, repairing pipes, valves, fittings, drains and fixtures in agriculture, commercial and residential structures. Respond, diagnose and resolve plumbing emergencies as they arise. Our plumbers cover a rotational On-Call schedule, as we provide 24/7 service. Keeping accurate records of time spent working, description of work performed and materials used is imperative.

Must have an understanding of building codes, safety regulations, and safety practices

Must have an understanding of plumbing systems, materials and equipment

Must have an understanding of most plumbing tools

Must have strong troubleshooting and analytical skills

Must have excellent communication and interpersonal skills

Must have a valid driver's license

Must provide and pass a criminal background check

What do we offer?

We offer competitive wages, ongoing training, benefits, discounted products and services, educational support, uniforms, boot allowance, etc... Need I say more, we will treat you with respect and integrity everyone deserves.

COVID-19 precautions

- Personal protective equipment provided or required
- Social distancing guidelines in place
- Sanitizing, disinfecting, or cleaning procedures in place

All customers are required to wear masks, not allowed in past the reception area and must sign in if staying more than 15 minutes. Employees must wear masks when at job site, within office/warehouse area, and observe social distances of 6ft when possible

How to apply: Please send your resume to hr@wrcpurifying.com and tell us why we should consider you?
