

Mechanical Maintenance Millwright

If you enjoy a well-organized, friendly, and dynamic work environment, Canterbury's Manufacturing team is looking for you!

Canterbury is seeking a highly motivated **Mechanical Maintenance Millwright** to support the Manufacturing team at our Oakville branch as a full-time, permanent member of the team.

As a part of the Manufacturing team, you will be responsible for ensuring that all Health and Safety related requirements are followed as well as completing all regularly scheduled preventative maintenance and related documentation for all plant and facility equipment. You will also work cooperatively with all staff to ensure all production and maintenance objectives are met.

You have:

- Post-secondary education is preferred
- Minimum 2-3 years of Mechanical Millwright experience in a food and beverage manufacturing environment is preferred, or other relevant industry
- Experience with high-speed packaging equipment is considered an asset
- Electrical and PLC experience and knowledge is considered an asset
- Some degree of knowledge of SQF, HACCP, GMP and Health and Safety Programs is considered an asset

You are great at:

- Communicating
- Working under pressure
- Working within a team
- Meeting deadlines
- Maintaining a high level of attention to detail
- Using Word and Excel
- Staying flexible to work shifts
- Taking action, making decisions and following through

We offer:

- A fun and supportive environment with opportunities for learning and development
- Vacation Pay
- Growth opportunities and a rewarding career with a Canadian business that takes pride in giving back to community
- Employee pricing on our product line-up
- Free, on-site parking
- And...a workplace filled with the aroma of coffee....all day...every day

Schedule:

- 8-hour shift
- Day shift
- Monday to Friday
- Availability for weekends and overtime are required on occasion

Applications are welcomed from all individuals, including women, Indigenous people, persons with disabilities, visible minorities, people of all sexual orientations and gender identities, and others who may contribute to the further diversification of our company.

Canadian Citizens and Permanent Residents will be given priority.
