

Red Seal Mechanic - Duncan

 Language

[Apply Now](#)

Transdev is now hiring a Red Seal Heavy Duty or Commercial Transport mechanic for our Duncan, British Columbia location!

We are seeking a permanent, full-time mechanic for the Cowichan Valley Regional Transit location. We are also offering a competitive hourly rate of \$43.45/hr!

Your role

- Diagnose and perform accurately all phases of vehicle and equipment repair under minimal supervision. Repairs include brakes, engine tune-ups, suspensions, drive trains, transmission clutches and other repairs.
- Remove, overhaul and reinstall mechanical components with minimal supervision.
- Lead preventative maintenance (PMs), safety inspections and annual maintenance inspections.
- Ensure work orders are completed properly and accurately.
- Maintain records of all maintenance work completed including parts and supplies used.
- Notify supervisor of potentially dangerous equipment and corrective action taken.
- Evaluate completed work prior to release and seek approval where required.
- Lead road calls and emergency services as necessary.
- Adhere to Transdev's standards, policies and procedures.
- Move vehicles safely between job and work area.
- Perform other responsibilities as requested or required.

The perks

- Competitive wage of \$43.45/hour.
- Consistent full-time, year-round work.
- An excellent benefits package with medical service plan, life insurance, dental plan, long-term disability, extended health, and retirement plan.
- Paid holidays & vacation.
- Ongoing company training on state-of-the-art online system.
- Opportunities for career advancement due to a strong presence across North America.
- The ability to have a positive social impact by operating sustainable mobility solutions.
- Join a Group committed to encouraging diversity and employee development.

Your profile

- You have a Red Seal certification as a Commercial transport/ heavy-duty mechanic. Automotive red seal will also be considered.
- You have a high school diploma or GED (required).
- You have a valid class 5 BC driver's license with airbrakes or greater.
- Air endorsement is required.
- You have an appropriate mechanic's tool set.
- Adhere to provincial CVSE standards and Federal Motor Vehicle Act.
- You have advanced problem-solving ability.
- You have advanced computer skills.
- You are able to work independently as well as part of a team.

- You are able to work the assigned shift.

Your location

- This is a unionized position in Duncan, BC.

Join an International Group strongly rooted in the communities.

Transdev is an international leader in mobility at the service of communities. We design and operate public transport networks - buses, coaches, trams, trains, shared bikes, ferries, and more - to empower freedom to move everyday thanks to safe, reliable and innovative solutions that serve the common good.

Because we are people serving people, our 100,000 employees have a positive impact on people and society. It is by taking care of them that we empower people to move forward.

In March 2023, Transdev Canada expanded its reach in western Canada by acquiring First Transit. By joining forces, Transdev Canada is now the largest multi-modal privately owned transportation company in Canada.

And what about you? What drives you?
