NETWORK ENGINEER | ELECTRONIC SECURITY ENGINEER

A result-driven IT professional, with extensive experience in the engineering, administration and support of information and security systems. In-depth expertise, in the analysis, design, implementation, deployment and maintenance of network and security systems. Strong “hands on” technical knowledge and experience with Security Door Access Control, Fire Alarm Systems, PABX, VoIP, Electronic Digital Surveillance(CCTV), Electronic Anti-Shopping(EAS), Explosive Trace Detectors, Baggage Scanners, Metal Detector Walk Through Doors, Perimeter Electric Fencing, VSAT, Wireless Hotspot and Structure Cabling . Proven ability to lead and motivate project teams to ensure success. Track record for diagnosing complex problems and consistently delivering effective solutions.

TECHNICAL EXPERTISE

CCTV: American Dynamics, Arecont Vision, Axis, Honeywell, Boosch, Cisco, Milestone, HIK Vision, Pelco, Sony, Avigilon

Access Control: Tyco security products, Software House, Kantech, CEM Systems, Viridi, HID, Suprema, ioProx, Sebury, CAME, ZKTeco, Gunnebo

Fire Alarm: Gent by Honeywell

Explosive Trace Detector: Implant Sciences, Morpho

Metal Detector Door Walk Through: Astro Physics, Garrett

Baggage Scanners: Astro Physics, Proline, ZKTeco

VSAT: Prodeline, Channel Master, iDirect

Electric Fence: Nemtek

EAS: Sensormatic

Resume

VoIP: Cisco, Yealink, Grand Stream

PABX: Panasonic, Grand Stream

Wireless Hotspot: Mikrotik, UBNT, Cisco

Structure Cabling: Cisco, Legrand, Systimax, Comscope

PROFESSIONAL EXPERIENCE

Net Infrastructure Systems, Lagos.

Specialized in the design, implementation and maintenance of CCTV surveillance systems, Access control systems, Fire alarm systems, Electrical fencing, Explosive trace detectors, Walk-through & handheld metal detectors, X-ray/luggage scanners, Electronic anti-theft systems, Under vehicle scanners, Turnstiles, Gate barriers, Twisters/speed-stiles, Structured cabling, VoIP, VSAT and Wireless hotspot.

**Business / Technical Executive
date**

December 2015 till

System analysis, design, implementation, deployment and maintenance. Installation, programing, testing and commissioning.

Projects: Sheraton Hotel Lagos (IP CCTV (ArecontVision, American Dynamics) & Explosive trace detector(Implant Sciences)), Eko Hotel & Suits Lagos (IP CCTV (ArecontVision, Axxonsoft)), Execujet Private Jet Hanger Lagos (Access Control (Tyco, Kantech)), NIPOST Lagos (Analog CCTV (American Dynamics)), Canadian Chancery Abuja (Analog CCTV (Panasonic) & Fire Alarm System (Gent by Honeywell)), Total Nigeria Limited (IP CCTV (ArecontVision, Axxonsoft) & Access Control (Sebury, CAME)), Total Nigeria Limited (Access Control (ZKTeco), King Solomon Oil & Gas (Analog PBX (Panasonic)), Daleji Properties (Access Control (ZKTeco)), Hi Impact Planet (Access Control (CAME)), Still Earth Limited (Access Control (Tyco, Kantech)), BET Holdings (IP CCTV, VoIP, Wireless hotspot, Cable TV, LAN), Akwa-Ibom Airport Uyo (X-ray Luggage Scanner (Proline, ZKTeco)), Sky-Chef Lagos (Full Height Turnstile & Access Control (ZKTeco)), HIS Lagos (Half Height Tripod & Access Control (Gunnebo)), Pabod Brewery Port-Harcourt (Access Control (ZKTeco)).

Guardia Systems Full Control, Lagos.

Provider of complete Fire protection and security systems such as Building Management Systems(BMS), Access control, Electronic digital surveillance, Alarm systems, EAS, Low current, Integrated and Home automation solutions and many more with the aim of protecting assets and bridging full control to corporations and consumers on a global level.

Network Engineer / ELV Engineer
November 2015

March 2013 till

System analysis, design, implementation, deployment and maintenance. Installation, programming, testing and commissioning.

Projects: Sheraton Hotel Lagos (IP CCTV (ArecontVision, American Dynamics)) & Explosive trace detector(Implant Sciences)), Sheraton Hotel Abuja (Explosive trace detector (Implant Sciences)), Eko Hotel & Suits Lagos (IP CCTV (ArecontVision, Axxonsoft) & BMS (Honeywell)), Niger Dock Ship Yard Lagos (IP CCTV (American Dynamics) & Access Control (Software House)), Rack Center Data Center Lagos (IP CCTV (American Dynamics) & Access control (Tyco, Kantech), Execujet Private Jet Hanger Lagos (Access Control (Tyco, Kantech)), NPA H.Q. Lagos (IP CCTV (ArecontVision) & Fire Alarm System (Esser by Honeywell)), Le Meridian Hotel Port-Harcourt (Explosive trace detector (Implant Sciences)), JMG Lagos (Analog CCTV (American Dynamics)), Setraco Abuja (IP CCTV (ArecontVision) & Analog CCTV (General Electric)), Abdul Bayero Mall Kano (IP CCTV (ArecontVision, Axxonsoft) & Fire Alarm System (Gent by Honeywell)), NIPOST Lagos (Analog CCTV (American Dynamics) & Fire Alarm System (Esser by Honeywell)), Canadian Chancery Abuja (Analog CCTV (Panasonic) & Fire Alarm System (Gent by Honeywell)), Persianas Retail Palms Shopping Mall Lagos (IP CCTV (ArecontVision, Axxonsoft)) & EAS), NPDC Lagos (X-ray Luggage Scanner (Astrophysics)).

Skangix Development Limited, Lagos.

Provider of oil field services and internet services with optical/wireless communications.

Network Engineer**March 2011 till February 2013**

System analysis, design, implementation, deployment and maintenance. Installation, programming, testing and commissioning.

Projects: Energia Limited Lagos (VSAT, Wireless Hotspot & VoIP (Channel Master, iDirect, Mikrotik, UBNT, Cisco, Yealink)), Energia Flow-Station Kwale Delta State (VSAT, Wireless Hotspot & VoIP (Channel Master, iDirect, Mikrotik, UBNT, Cisco, Yealink)), Energia Rig-Site Kwale Delta State (VSAT, Wireless Hotspot & VoIP (Channel Master, iDirect, Mikrotik, UBNT, Cisco, Yealink)).

Ciscon Nigeria Limited, Warri, Delta State.**April 2009 to December 2010**

Cisnet wireless a subsidiary of Ciscon Nig Ltd, providing wireless internet services.

Network / Systems Engineer

Structure Cabling, VSAT, VoIP, PBX, Wireless Hotspot & Point-to-Point network deployment (Prodeline, iDirect, UBNT, Mikrotik, and Cisco).

EDUCATION / CERTIFICATIONS

West African Examination Council (WAEC), Parker International High School, Akure, Ondo State, Nigeria, 1999.

Bachelor of Science in Computer and Information Science with Second Class Upper Honours, Leadcity University, Ibadan, Oyo State, Nigeria, 2010.

Digital surveillance, 2011.

Wireless Networking, 2011.

IP-PBX / PABX and VoIP, 2011.

VPN Implementation, Fire walling and Internet Security, 2011.

GateProtect Certified Security Consultant, 2012.

GateProtect Certified Security Professional, 2012.

Kantech EntraPass Level 1 in: Midrand, South Africa, May 2013.

Kantech EntraPass Level 2 in: Midrand, South Africa, May 2013.
