

Adam OUYABA
Electrical/automation engineer

Email: ouyaba.adam@gmail.com

Address Ghardaia, Algeria

Marital status: Married

Fax: (+213)29 20 26 15

Military Status: Free

Driving license (B category)

passport available

PhN/whatsapp : (+213)699 79 50 82

Summary

A self-motivated creative and organized professional and intelligent, with experience in the field of automation/electricity and renewable energy. Strong understanding of different types of industries (plastics, Copper, Packaging,...)

Education and accomplishment

Author of the book:

Comprendre l'électricité industrielle version 1

Electronics engineer: (Industrial control)

University of KASDI MARBEH OUARGLA

Thesis: *Comparative study of algorithm of Digital image compression (mention: very good)*

Work Experience

Maintenance, automation and installation engineer

present

Ghardaia, Algeria

- *Installation/maintenance of industrial electricity and automated system (plc's, hmi ,inverter);*
- *Installation, Commissioning, and Start-up of machinery;*
- *Machinery Renewing ;*
- *Maintenance of embroidery plastic, cable, injection molding and extrusion machine;*
- *Installing electric generator;*
- *Maintenance and installation of renewable energy system;*
- *Installation CCTV camera.*

Clients: CUIVRAL, TRG, Nadir plast, SARL MAOUCHE,COMAVER

Training and Certificate

The IFEG certificate in Renewable energy

(Institut de Formation en Electricité et de Gaz)

The SONELTECH certificate in industrial electricity

By SONELTECH

The SEAHARVEST certificate in waste drilling management & basic of solid control

By SEAHARVEST company

The Algerian Red Crescent certificate: First-aid worker

By Algerian Red Crescent,

Internship in SPA.PIPE-A-GAZ : PLCs and Industrial electricity.

Key skills and qualities

Languages

- *Native in Arabic,*
- *fluent in French and English;*
- *Turkish intermediate.*

Computer skills

- *Mastery of Microsoft Office (Word, Excel, outlook...) ;*
- *Programming languages: Delphi, Assembler, C, Matlab.*
- *Very good in programming.*
