Parts Manager

I would like to be considered for the position of parts person. I am a dependable and hardworking employee with over ten years experience in the automotive and heavy duty industrial field. I have a certificate in parts and warehousing and have completed my parts person apprenticeship. I have extensive experience with computer systems, forklift certification with several years experience and have my level 2 first aid certificate.

I would be happy to meet with you at your convenience and provide any additional information you may require. Thank you in advance for your consideration. Please feel free to contact me any time.

Regards.

Curtis Langager
