**ATTENTION: Human Resources, Hiring Manager**

To Whom It May Concern,

**Re: Welding Position**

I wish to offer my knowledge and experience to your organization.

I offer 15 years of welding and millwright experience, in various fabrication shops and on large industrial construction and plant turnaround projects. The top portion of my attached resume highlights my skills profile, and significant accomplishments in my education that are also in alignment with this position.

Known for good problem solving skills, high quality welds and reliability in meeting deadlines. As well as being a self motivated individual who works well under pressure and follows directions properly. I am safety oriented, healthy, punctual, and able to work alone or in team environments with minimal supervision.

I welcome the opportunity to meet with you to discuss my qualifications and can be reached at (780) 909-2821. Thank you for your time and consideration.

Sincerely,

Travis Huculak
