Credential for passing an expert exam for performing leaking checks, collecting refrigerants, installation and maintenance or service of cooling and air conditioning devices and heat pumps

Additional Information

Although I'm a foreign citizen, I'm willing to relocate to Canada, no matter what. To do such thing, the employer must provide me LMIA document, so I can come and work legally, no matter how much employer tells me to stay and work in his firm. With my experience in refrigeration and maintenance, I'm 100% sure that employer will be more than satisfied. For any additional information, you can contact me with skype: rakun88, or on mesenger(link is above in resume). Thank you, and I hope to come and work for you.
