

Akval Herr

Kelowna, BC □ (250) 826-8589 □ hvac199@gmail.com

HIGHLIGHTS OF QUALIFICATIONS

- Over 10 years of experience within residential and commercial installation including fabrication of sheet metal, heating, ventilation, air conditioning and gas;
- Proven leadership skills as a supervisor, foreman and manager;
- Ran the crew for Centuria Urban Village (16 story high-rise) within Kelowna when employed by Ace Plumbing;
- Performed all aspects of full house installs including gas, refrigeration, and low voltage wiring;
- Able to multi-task, handle stress and work in a high pressure work environment;
- Works well independently, as part of a team, or as a team leader.

RELEVANT SKILLS AND EXPERIENCE

- Designed Quality First duct layout and sizing;
- Prepared work estimates for clients;
- Read engineering and architectural drawings, sketches and work specifications to be performed, and lay out, measure and marked sheet metal according to drawings or templates;
- Measured and cut piping, and connected piping using welding and brazing equipment
- Install, troubleshoot and overhaul entire heating, ventilation, air handling, refrigeration and air conditioning systems
- Developed patterns for sheet metal using computer-assisted design and drafting (CAD) software package
- Operated light metalworking machines such as shears, brakes, punches, and drill presses, including computer numerical control (CNC) equipment to cut, bend, punch, drill, shape or straighten sheet metal
