2018	BCDL Class 5 with air brake endorsement (15)
2018	WHMIS 2015
2018	H ₂ S safety certified
2010	Industrial Instrumentation Red-Seal Journeyman, BCIT (IPSE number - K-08-073849 Certificate number - 00032-IN-10)
2005	Industrial Instrumentation Service Technician Diploma BCIT
2003	Electronics Common Core Certificate BCIT
2000	Mining Technology Diploma BCIT
2000	Grade 12 Diploma, South Delta Secondary School

Key Areas of Technical Training, Experience & Skills

- Loop troubleshooting from instrument side to PLC/DCS side, diagnosing faults and promptly repairing.
- PLC/DCS: Modicon and Delta V.
- Fisher control valves with Fieldvue 6000, 6200 HART and pneumatic positioners.
- Analytical: pH, toroidal conductivity, ORP and turbidity.
- Flow: mag tubes, switches, rotameters and orifice plates.
- Level: Ultrasonic, Radar, DP cells, switches and gauge glasses.
- Pressure: DP cells, switches, gauges and unit conversions.
- Temperature: RTD.
- Density: Nuclear.
- DC/AC circuits - concepts, applications and troubleshooting.
- Control instrumentation, air supply systems, tube and pipe fitting and regulators.

Work History

<i>TECK METALS LIMITED (Teck Trail Operations)</i> Instrument Mechanic	October 2012 - December 2017
<i>SIMILCO MINES (Copper Mountain project)</i> Instrument Mechanic	October 2011 - December 2011
<i>TASEKO MINES LTD. (Gibraltar Mines)</i> Instrument Mechanic	August 2007 - October 2011
<i>VANCOUVER INDICATOR PROCESSORS INC. (VIPI)</i> Plant Operator & Maintenance Technician	July 2005 - February 2006
<i>VANCOUVER INDICATOR PROCESSORS INC. (VIPI)</i> Plant Operator	July 2004 - September 2004
<i>MILANO CONSTRUCTION</i> Construction Worker - repairing leaky condos around Greater Vancouver	January 2004 - July 2004
<i>VANCOUVER INDICATOR PROCESSORS INC. (VIPI)</i> Plant Operator	August 2003 - November 2003
<i>COMINCO ENGINEERING SERVICES LTD. (CESL)</i> Maintenance of equipment & Operator of Atmospheric Leach and Grinding	May 2001 - August 2001

Personal Interests

Educo Adventure Program: wilderness camping, hiking, canoeing and team work)

Mountain biker, riding Whistler, West Kootenay's, Mexico, North Shore, Costa Rica and Chile

Working on classic vehicles: my 1967 Land Rover
