To Whom This May Concern:

I would like to enquire about position available within your organization.

As a BC Red Seal Electrician, and registered Millwright apprentice, I have strong Electrical background and ongoing learning Mechanical knowledge. And I have always enjoyed learning new knowledge. I have registered Automated Control Program at BCIT to learn advanced electrical and mechanical knowledge.

I have over 6 years of experience in troubleshooting and maintenance machinery, mostly on VFD, conveyors, motors, pumps, freezers, and all type of laboratory equipment.

I have enclosed my resume for your consideration. I would be grateful if you were to contact me in the meantime should you know a position that you think is suitable. I can be contacted at all times on details.

Thank you in advance for your time.

Sincerely,

Patrick He
