employment history

Uber/Ola

Driver(Owner)

Perth, Western Australia

June 2017 - August 2018

- Ensuring the car was clean and fully stocked for the customers
- Getting to the customers pick up point safely and efficiently
- Making the customers feel comfortable by driving in a safe manner

Kings Transport

Driver

Perth, Western Australia

April 2016 - May 2017

- Delivering various items ranging from 20-kgs to 4 tones
- Always in contact with the fleet controller to let them know where I am and how long till I arrive at my pick up or delivery
- On arrival I double check with the customer what the dimensions and weight is of the pallet(s)
- Strapping down the load properly and checking to see if the load is secure and not unbalanced

- If dangerous goods is on my truck, making sure to check if they have given me all the paperwork needed and if I need to put up the correct diamond sign

NationwideTowing

Driver

Perth, Western Australia

December 2015 - February 2016

- Having excellent customer relationship and good rapport with all customers to ensure continued business and also building new customer base
- Problem solving skills with emphasis on building long term relationships
- Check the address and give the customer a call to ensure what road they are on
- Meet and greet the customer and ask them if they would like to sit inside the truck till I load their car on to the tray
- Using the RF system to notify head office that I have arrived on the job, car is secure on the tray, heading to the customers house or workshop
- Monitoring traffic flow and using the free gaps between the cars to latch the car up
- Making the customer sign on the PDA system and explain to him what is going to happen to his car
- Making sure my truck is clean and presentable from the inside and out

Bamboozle

Driver/Labourer

Perth, Western Australia

April 2014 - November 2015

- Coming early in the mornings to load up the truck and finalize details on the deliveries
- Calling up customers and letting them know when I will be arriving at their premises
- Delivering the Bamboo and Timber inside the house and placing it in a room as per customer request
- keeping count of all the different colour combination for bamboo and timber and telling the manager which stock is running low
- Lifting the heavy bamboo and timber which are 25-30 kgs carefully on my shoulder and or close to my waist as per OHS
- Checking off all the items with the customer that I dropped off at their house and getting a signature as a approval
- Pick packing orders for the next day and keeping it ready aside
- Cleaning and maintaining the truck and warehouse
- Checking for stock and ordering it
- Emptying the containers and organizing the warehouse accordingly
- Keeping a good relationship with the installers and my work colleagues
- Cash Handling
