Regarding: Heavy Equipment Operator.

Dear Sir or Madame,

I am submitting the enclosed resume to be considered for a heavy equipment operator position within your organization. I am excited at the opportunity to bring my experience and heavy equipment knowledge as well as my exceptional communication abilities to your company.

Throughout my past employment history I have demonstrated excellent teamwork skills. Given my strong multitasking skills, communicative and outgoing personality and dedication to achieving excellence, I feel I would successfully transition into a position within your organization. My experience is well outlined on my resume and reveals the superior value that can be offered to your organization. You will find me to be a proactive and dependable individual always enthusiastic and offering you a high level of commitment.

It is my belief that I am the ideal candidate for this position due to my proactive approach to facilitating daily goals and long-term objectives. I look forward to meeting with you to discuss my qualifications and suitability to your organization. Thank you for your time and consideration.

Sincerely,

Rafal Przybyslawski
Enclosed
