To Whom It May Concern:

Daryl Heppner has been employed since October 1987 as a heavy duty mechanic in the Endako Mines' Pit Shop. During this time Daryl has proven to be an asset to our mechanical operation. His ability to understand and overcome a mechanical or design problem is an attribute that has benefitted the Pit Shop on many occasions.

Throughout his employment with Endako Mines, Daryl has been involved with all aspects of maintenance and repairs of: R-190 Euclid haulage trucks; M-120, M-100 and M-85 Electra Haul trucks; 8N Caterpillars; various loaders and support equipment; 13-yard P & H and Bucyrus-Erie shovels; Gardner Denver 100 and 120 drills; and an Marion M-4 drill.

Daryl also was the supervisor for our very successful R-190 erection project.

I believe that Daryl would be an asset to any company and I wish him every success in all his future endeavors.
