RE: Challenge Application Approval

Dear Muhammad Farhaad,

Congratulations! This letter is to confirm that your challenge application for Industrial Mechanic (Millwright) has been approved. The next step is for you to write your certification exam.

If you are required to complete a practical assessment, you will receive a separate email from us regarding how to schedule it.

As of January 1, 2019, challengers are limited to four (4) total writes of their certification exam. If you have written the same exam prior to Jan 1, 2019, please contact customer service to confirm your eligibility to re-write.

You must write and pass your exam within 24 months from the date of this letter. After this date, you will be required to submit a new challenge application and \$120 application fee. Click [here](#) for more information.

To schedule your exam, contact us at customerservice@itabc.ca to request an exam date and location.

We wish you every success on writing your exam.

Sincerely,

ITA Customer Service
