More information about the University of Victoria official transcript can be found on the Transcript Legend tab at www.uvic.ca/transcript.

Effective 2014 Summer Session, the University of Victoria (UVic) uses the grading systems shown. The grading scale for the evaluation of course achievement at UVic is a percentage scale that translates to a 9 point GPA/letter grades system. Comparative grading is displayed when appropriate.

The comparative grading column refers to the class mean (average) and the number of grades in the size (calculation). Comparative grading may display on transcripts for undergraduate and graduate level courses except for those with the abbreviation LAW. Class mean (average) includes only percentage grades; the class size is the number of percentage grades used in the calculation. If the class size is six or greater, the average (mean) and size is displayed. N/A is displayed if comparative grading is not available. From 2012 Summer Session, UVic used the grading systems shown but the student's percentage and comparative grading was not displayed.

Since 1976 Winter Session the following abbreviations appear on transcripts:
 AEG Aegrotat N/A Mutually Exclusive course
 CHALL Course Challenge WNF Withdrawn No Fault
 DUP Duplicate course WE Withdrawal under
 FNC For No Credit in the Extenuating circumstances
 (effective 2013 Summer Session)

SESSION: The Winter Session is divided into two terms: the first, September to December; the second, January to April. The period May through August is the Summer Session.

GRADE POINT AVERAGE (Undergraduate and Law only): The grade point average (GPA) is based upon all courses with a unit value except those courses bearing the grade COM, F/X, and N/X and courses taken on exchange. The 9 point GPA system is the sole basis for the calculation of grade point averages and academic standing.

SESSIONAL STANDING (Undergraduate and Law): Effective 1975 Winter Session, a sessional GPA is given for all students. Courses in a current session are shown with a final grade, if available, or with the notation "Continuing". "Continuing Full Session - First Half" or "Continuing Full Session - Second Half". Courses that have not yet begun will be denoted with "Registered". Effective 2008 Summer Session, an explanation of students' sessional standing will appear every session where course work has been completed at UVic. Effective Winter Session 2010, the current date of the sessional GPA and end of session standing is displayed.

SESSIONAL STANDING (Graduate programs)
 Effective 2008 Summer Session, an explanation of sessional standing will appear where course work has been completed at UVic. Sessional standings are in Good Academic Standing, Review Required, Standing Pending Grades, or Standing Pending Grades - Registration Block. Standing definitions can be found at www.uvic.ca/transcript.

COURSE VALUES AND HOURS: Each course offered for credit has a unit value. A full-year course with three lecture hours per week through Winter Session from September to April normally has a value of 3 units. A half-year course with three lecture hours per week from September to December or from January to April normally has a value of 1.5 units. Non-gradable sections (e.g. labs) are not displayed. A 3-unit course/3 hours of lectures per week (throughout the Winter Session) approximates a 6 semester-hour or a 9 quarter-hour course.

UNDERGRADUATE LAW DEGREE: Prior to Nov 2010, the Law degree awarded was the Bachelor of Laws (L.L.B.). Effective November 2010, the Law degree name was changed to Juris Doctor (J.D.).

GRADUATE:

Passing grades	Grade point value	Percentage	Description

RE: Reference letter for Vincent Lun

To Whom it May Concern:

I am delighted to provide a letter of support for Vincent Lun's application for a summer internship.

I taught Vincent this past semester in a first-year sculpture class. He was a pleasure to work with as he was a self-initiating student and he was respectful of the structure of the class. Even though the class met at 9am on a Monday morning he was on time and prepared to work with his project supplies.

Vincent often went above and beyond what was expected. He brings energy and enthusiasm to his work and he is also patient when constructing visual details. When speaking with him one on one he was thoughtful around articulating his ideas with a good sense of humor.

Thank you for the opportunity to express of my support of Vincent Lun's summer internship application. Given his work ethic and creative drive he will gain a great deal from the opportunity. Please contact me at 250-415-1707 or at jstillwe@uvic.ca if you require any further feedback.

Best regards,

To whom it may concern:

It is my pleasure to write a letter of reference for Vincent Lun, whom I have known as a student at St. Andrew's Regional High School for the past two years, both as a student in my art classes, and as an active member of our school community.

Vincent has a strong interest in the fine arts, as is evident in the courses he has selected. In addition to Art Foundations 11 and 12, where he showed incredible talent for visual design and animation-style drawings, he participated in our school's theatre program. For the past two years, Vincent's Theatre Production and Theatre Performance classes have staged outstanding musicals for our enjoyment. Furthermore, Vincent is a member of our school's Concert Band, for which he plays the flute.

In an extra-curricular capacity, Vincent has volunteered his time as the International Student Rep on our Student Council, demonstrating his excellent oral communication skills. Other volunteer activities include The GoodLife Fitness Victoria Marathon and Victoria Footprints, a non-profit organization devoted to inspiring and developing confidence in youth through fitness and health achieved by distance running.

Vincent has shown me that he can work both creatively and independently, and that he can always be counted on to get a job done. I am certain that Vincent's character, commitment, and hard work will serve him well as he sets out to accomplish his post-secondary goals. If you have any further questions, please do not hesitate to contact me.

Sincerely,

Ms M. Spanier, Teacher

To Whom It May Concern,

I am writing this reference at the request of Vincent Lun. I have had the pleasure of teaching Vincent for the last two years whilst he was an international student at St. Andrew's Regional High School. Vincent took theatre production courses from me, and was in my home room class this year. He helped organize and run last year's show, *Alice in Wonderland*, and was the student in charge of all the props. He was very conscientious and took his role seriously in this production. Vincent is very creative and came to class organized and prepared with ideas and suggestions. Because of these qualities, he helped to run a smooth show.

Vincent was able to establish an excellent rapport with the others in the class, which is not only important in a theatre group, but in real life situations as well. He has a number of strengths as a student. He is a responsible person who can be depended upon to complete a job. He has developed self-confidence over the last two years and even created a project of his own at our recent Fright Night. He is compassionate, kind and patient. Vincent has always been a welcome member of my class and the school.

In conclusion, I would highly recommend Vincent for future endeavors. With his positive spirit, his creativity, and his ability to work independently, he will be an excellent member of any work place.

To whom it may concern,

Re: Vincent Lun

Vincent has completed a UVic Co-op placement with us at Rebalance^{MD}. His primary focus was to create an educational video for our patients that will be used on our website.

Vincent has worked with great patience and listening skills to extract critical information from many members of our team. He has filmed and edited a very impressive product and has shown maturity well beyond his years and experience.

We are very impressed with Vincent and know he will be a great asset to the employer he lands with ultimately.

Sincerely,

Dear Sirs,

Certification of Volunteer Service of Vincent Lun Wai Tsun

This is to certify that Mr Vincent Lun Wai Tsun has joined Oxfam Hong Kong as a volunteer since 14 July 2014. During his summer holidays 2014, Vincent has accumulated 83 volunteer service hours with Oxfam Hong Kong.

Whilst taking his summer vacation in Hong Kong, Vincent has volunteered to work in our Oxfam Hong Kong Head Office. He has assisted us in performing office duties such as inputting data in computer, preparing logistics arrangement for our events and exhibitions. He also served in our reception counter from time to time.

Apart from the office duties, Vincent has also attended our Oxfam Charity Booths in assisting us for charity sale at the Hong Kong Book Fair 2014, The 22nd International Baby/ Children Products Expo" and "26th Hong Kong Baby Crawling Contest" held at the HK Convention Exhibition Centre, as well as the 11th Hong Kong International Pet Accessory Expo taken place in the Kowloon Bay International Trade & Exhibition Centre.

We find Vincent a cheerful, aspiring and helpful young man from his interaction with the visitors to our charity booths. We appreciate much of Vincent's efforts and enthusiasm during his volunteer service with us.

We look forward to having Vincent assisting us again in the near future. We wish him all the best in pursuing his study in Canada.

Yours sincerely,

Kahie Siu

Volunteer Work at the GoodLife Fitness Victoria Marathon - Sunday, October 12, 2014

To Whom It May Concern,

Thank you so much for your contribution to the 35th GoodLife Fitness Victoria Marathon! To be able to host an excellent quality event with over 10,000 participants, we count on the assistance of over 1,600 volunteers. They become part of our year-round or Race Weekend crew, helping the participants fulfill a goal or dream. It is a pleasure to be able to count on the support of our dedicated volunteers.

Vincent Lu was involved in this year's event in the role of course marshal volunteer. They worked out on the race course providing direction to participants and residents. They contributed 6 hours at their station without hesitation.

Please contact me if you have any questions or require clarification.

Sincerely,

Sandi Heal
Administrative Manager
