EXPERIENCE

● CNC OPERATOR

MODERN STEEL LIMITED,MANDI GOBINDGARH

03-AUG-2017 To 31-March-2018

I gain lots of thing from this industry like first the most important thing is use safety precautions like safety gloves, goggles,shoes,cap and avoid chains,rings when we working on machine. I also gain knowledge about gauges for eg. Slip gauge,plug gauge and i can also use vernier calliper, digital micrometer and bore gauge.etc.
