Objectives and Skills:

I am a highly motivated and enthusiastic Red Seal Journeyman Plumber and Class "A" Gasfitter with an Electrical Endorsement. I have a solid background working in challenging environments as well as working with professionals who require a high level of quality and consistent workmanship. My strengths include excellent communication, as well as the ability to work unsupervised or as a team. I take great pride in the work I do and am always looking to gain knowledge to further myself in my career. I am an honest, reliable and trustworthy individual.

Education:

Completed "A" Level Gas Fitting Course

Thompson Rivers University - 2014

Completed BC Plumbing and Gas Fitting Apprentice Program with Electrical Endorsement

Thompson Rivers University – 2002 to 2006
