RE: MOBILE EQUIPMENT SUPERVISOR

To whom it may concern,

I am very interested in this position. Please accept the following cover letter and resume for consideration.

My experience and knowledge of heavy equipment operation and maintenance make me an excellent candidate for several openings. I have experience training and working with crews. My recent positions have provided experience in computer data entry and I am also familiar with Workplace Health and Safety. I have a valid class 3 as well as class 1 beginners license. I enjoy working independently and as part of a team.

Currently I am employed by Manitoba Hydro and have been for the last 10 years. I am looking for a new career opportunity in BC. Thank you for your consideration, I look forward to hearing from you.

Sincerely,

Randy Derhak
