OBJECTIVE

I currently work as an electrician where I do machine upgrades and fault-finding. I am looking to broaden my knowledge and stay updated with the latest technology.

PERSONAL STATEMENT

I am strong believer of first time right and do not take come backs or rework lightly. I specialize in high speed machinery fault finding. I work good in a team and alone.

WORK HISTORY

Elecflex

Cape Town
April 2018-present

-

QUALIFICATIONS**Westlake College**

Westlake
2009-2012

Electrician Red Seal Section 13
completed

Dirkie Uys High School

Moorreesburg
2004-2008

Grade 12
completed

TECHNICAL SKILLS

- Full driver's licence
- Computer literate

PERSONAL SKILLS

- Communication – I have excellent verbal and written skills
 - Team management – I have managed a small team of 8 artisans and improved machine down time from 74% to 91% in 4 months
 - Self-management – At SA Power I handed in weekly report on work that I have completed. I assigned my own work and planned ahead.
-

ACHIEVEMENTS

- I was the youngest senior electrician at Swartland Investments 2014
 - I was the first senior electrician to manage projects at SA Power
-

INTERESTS

I am a very active person and enjoy playing golf and riding on my bike. I play around with old PLC's and improve my programming skills.
