Objective

To obtain long-term employment in a field where I may utilize my experience as a Journeyman Electrical Motor Systems Technician and be eligible for advancement opportunities. I possess a versatile skillset in conjunction with a wide variety of experience in my trade. I am resourceful, adaptable, self-motivated, learn quickly and pay close attention to detail. I like a challenge and can overcome any obstacle set before me. I would be an excellent asset to your team.

Key Skills

- | | | |
|--------------------------------------|---|---|
| ● Electrical Troubleshooting | ● Preventative Maintenance & Inspection | ● Variable Frequency Drives |
| ● Supervisory Skills | | ● Parts Sourcing |
| ● Root Cause Failure Analysis (RCFA) | ● Motor, Generator & Pump Repair | ● First Aid Level C- CPR & AED |
| ● Project Management | ● PLC Programming | ● Decipher and Create Electrical Schematics |
| | ● HMI Programming | |

Experience

Service Foreman/ Project Manager - Hagen Electric

June 2018- Present

In my role as Service Foreman, I supervise service operations, manage personnel and oversee projects both in and outside the shop. I assign work orders and tasks to technicians, ensure work orders are completed and quotas are satisfied along with directing safe work practices. I am involved in management meetings to streamline the efficiency of the shop and participate in workplace improvement planning.

Journeyman Electrical Motor Systems Technician, RSE- Hagen Electric

March 2013- Present

As a Red Seal Journeyman EMST, I have the skillset to diagnose, troubleshoot and service any piece of equipment that runs on or generates electricity. The scope of my trade is massive and versatile; it can be adapted for a wide variety of applications. I am proficient at reading and following electrical schematics. I am certified in Idec PLC programming/ interfacing and can develop complex programs to suit a wide array of functions. I am skilled in troubleshooting systems and can creatively propose and develop improvements. As a Journeyman, I am also experienced in training apprentice EMSTs and was at the top of my class when I was in attendance at the Southern Alberta Institute of Technology.

Lift Attendant- Resorts of the Canadian Rockies

Dec 2012- April 2013

While working as a Lift Attendant I was tasked with the inspection and safe operation of chairlifts and carriers, as well as performing duties such as clearing snow, ground maintenance, and customer service.

Roofing Labourer & Safety Monitor- Western Roofing

August 2012- Nov 2012

My position at Western Roofing required long days, heavy lifting, working with hand tools, working at heights, pre-planning, working in a team setting, working outdoors, operation of 5-ton dump truck, and the operation of 40ft Hiab.

Pit Utility- Teck Resources Limited- Fording River Operations

May 2012- August 2012

As a pit utility worker, I was involved in the upkeep of onsite light vehicles. These tasks included fuelling, inspecting fluids, inspecting and changing tires. I was also trained in the operation and inspection of Komatsu 930E haul trucks; this involved fuelling, inspecting the engine, monitoring lubrication levels and inspecting the tires.

Terminal Operator- P&H Milling Group

June 2009- May 2012

During my tenure as a Terminal Operator at P&H Milling Group, I was tasked with the everyday operation of an Inland Grain Terminal. My daily tasks included cleaning the production area, unloading and binning grain from super-B tractor-trailers, blending wheat varieties for specific milling purposes and processing grain through our Buhler aspirator/ sieve cleaner. I was also tasked with keeping current and accurate paper work for unloads, building cleaning and maintenance. I was also tasked with general grounds-keeping duties such as clearing snow, landscaping with a skid steer and moving product/waste around the property with a forklift.

Education

Southern Alberta Institute of Technology

2014- 2017

Attended first year through third year of technical training. Successfully challenged fourth year and the interprovincial exam.

Mount Baker Secondary School

2005- 2008

High School Diploma.
