

Personal Data:

- ❖ Name: Meysam
- ❖ Family Name: Kazemi Esfeh
- ❖ Birth: June 1981: Tehran, Iran
- ❖ Nationality: Iranian
- ❖ Marital Status: Single
- ❖ Military Service: Done
- ❖ Tel: +989122081330
- ❖ E-mail: Maysam.kazemi60@gmail.com

Objective:

- ❖ Obtain a position in a project management team that utilizes my outstanding creative, graphical, analytical, and people skills to help meet and exceed corporate goals.

Summary:

- ❖ I am a Planning & project Controller with experience in refinery and power plant projects in private sector with key emphasis infrastructure management, billing and telecommunications, vendor management and program management. I have the ability to meet challenges, learn quickly and handle large-scale projects. I relish undertaking challenging assignments and desire to lead a project to successful fruition. Firmly believe that my involvement in any assignment will add value to the project.

Professional History:

- ❖ Sep 2018-Mar 2019
Fanavaran Rayan Gostar
Behineh Pardaz Co.
Project Planning & Control Manager (time controller) Tehran , Iran
- ❖ Nov 2016- Sep 2018
Persian Gulf Bid Boland Co.
Senior Project Planning & Control(Cost Account & control)
Program: Behbahan Gas Treating Plant +Pipeline + Storage Facilities Tehran , Iran
- ❖ Nov 2015-Nov2016
Tiv Energy Co. (Sabafam JV.)
Head of Project Planning & Control
Project: Copper Concentration of Kerman Copper Complex Tehran , Iran
- ❖ Nov 2012-Nov2015
Faradast Energy Falat Co.
Senior Project Planning & Control
Project:Bandar Abbas Gas Condensate Refinery Tehran , Iran
- ❖ Feb 2012-Nov 2012
SADRA Co. (Deep Offshore Technology)
Project Planning & Control Expert
Project:Bandar Abbas Gas Condensate Refinery(process section) Tehran , Iran
- ❖ Jan2010-Feb2012
Mapna Boiler Co.
Project Planning & Control Expert
Project title: HRSG Boiler for power plant Tehran , Iran
- ❖ Sep2008-Jan2010
Tehran Jonoob Engineering Co.
Project Planning & Control Expert
Project title:Bandar Abbas Gas Condensate Refinery Bandar Abbas , Iran
- ❖ Sep2007-Sep2008
Qods Niroo Engineering Co.
Project Planning & Control Expert
Project title:Fifth pipeline of sour gas from Asalouye to Aghajary Boushehr , Iran

Articles:

- ❖ A Novel Efficient Simulation Optimization Method in Product Routing on the Presence of Probabilistic Demand (Accepting in the International Journal of Simulation and Process Modelling –Nov 2016)
- ❖ Ranking different factors influencing flight delay has been accepted for publication on Management Science Letters, ISSN 1923-9343 (Online) - ISSN 1923-9335 (Print), An international journal indexed by ISC, DOAJ, EBSCO and Index Copernicus (ISC Impact Factor = 0.143).
- ❖ Analysis of decision making in processing of Purchasing and Supplying(case study of Mapna boiler-Iran) – Published in African Business Journal ,in the United States of America.
- ❖ Identification and ranking required capabilities and competencies in the supply chain (case study of Mapna boiler-Iran) – Published in International Journal of Multidisciplinary Research Academy in India.
- ❖ Any effects of quality management system(ISO9001:2008) on productivity of Generation and transmission companies operating in South East Khuzestan Water– Published in International Journal of Multidisciplinary Research Academy in India.

Research:

- ❖ Earned Value Management System.
- ❖ An Analysis on Forming Different Work Breakdown Structures (WBS).
- ❖ Using Control Charts for Project Time and Cost Control.
- ❖ A Review on the Problems of Setting a Project Management Office (PMO).

Education:

- ❖ Oct 2010-Jun 2013 Azad University,Zahedan Bran Zahedan,Iran
Industrial Engineering with Focus on System Management and Productivity, Master(MSc), GPA 16.80 of 20
- ❖ Oct 2000-Feb 2004 Azad University, Tehran Jonoob Branch Tehran , Iran
Industrial Engineering with Focus on Industrial Production, Bachelor(BSc/BA), GPA 13.76 of 20

Other Certificates:

- | | |
|--|---|
| ❖ Project Management Body of Knowledge standardization(PMBOK2013) | Technical complex of Novin Persian. |
| ❖ Primavera (P3) | Technical complex of Novin Persian |
| ❖ Project Claim Management | Technical complex of Novin Persian |
| ❖ Planning & project control Fundamental | Technical complex of Novin Persian |
| ❖ Contract Management(General & Private Conditions) | Technical complex of Novin Persian |
| ❖ Principles of Design course of Pipe & Fitting and Supporting of Piping | Technical complex of Novin Persian |
| ❖ Introduction to FIX & Rotary refinery Equipment course | Technical complex of Novin Persian |
| ❖ Introduction to Plot Plan & PFD & PID Documents in refineries | Technical complex of Novin Persian |
| ❖ Introduction to Electrical & Instrumentation in refineries | Technical complex of Novin Persian |
| ❖ PDMS for Piping Design | Technical complex of Novin Persian |

| ❖ Introduction to ISO 9000 Standardization course | RWTUV academy |
| ❖ Introduction to 5S Technique course | Mapna Boiler Co. |
| ❖ Introduction to Key Steel course | Mapna Boiler Co. |
| ❖ Microsoft Access | Mojtamae Faniye Tehran, Iran |
| ❖ English | Kish Institute of Sience & Technology, Iran |
-

Ability:

- ❖ Prepare and update time scheduling program (Time Scheduling) in EPC contracts- Types of oil, gas and power generation projects.
 - ❖ Cost Estimation and Control
 - ❖ The time analytic, the physical and cost progress reports based on time scheduling project
 - ❖ Familiarity with any kind of contracts, the preparation and review of form status in the three case of engineering, procurement and construction for any contracts of the oil, gas and petrochemical .
 - ❖ Cost control of any kind of Projects with Earned Value Method (EVM)
 - ❖ Preparation WBS in three units of EPC – any types of oil, gas and petrochemical projects
 - ❖ Preparation PMS in three units of EPC – any types of oil, gas and petrochemical projects
 - ❖ Provide efficient and effective formats of weekly and monthly reports for monitoring and controlling the timing schedule and delivery the different reports in the management levels.
 - ❖ Familiar with the English language and be able to understand content and procedures, related and irrelevant documents with the work in English language
 - ❖ be able to understand engineering documents of different units such as piping, process, instrumentation, familiarity with process of Plot Plan analysis and Oil and Gas projects
-

Skills:

- ❖ Having 11 years of relevant experience in the project planning and control.
 - ❖ Familiar with project engineering.
 - ❖ Able to work under pressure and independently.
 - ❖ Adaptable to multi-disciplined and diversified environment with ability to communicate and liaise at all levels.
 - ❖ Relish a challenging assignment.
 - ❖ Proven track record with clients consultants and contractor's
 - ❖ Proficient in use of computers
 - ❖ Quick adaptation of new ideas, ability to solve bottlenecks
 - ❖ Consistent and reliable performer.
-

IT Skills:

- | | |
|--------------|------|
| ❖ P6 | Good |
| ❖ MS Project | Good |
| ❖ MS Office | Good |
-

Fields of Interest:

- ❖ Project Management and Control: Project Time Management, Project Cost Management, Project Risk Management.
 - ❖ Statistics Method & Eng: Simulation, Statistical Quality Control.
 - ❖ Operations Research: Model Building, Production Planning.
 - ❖ Economics & Financial.
 - ❖ Technical & Engineering Discipline of oil & gas & petrochemical Fields for example process & piping and etc.
-

Languages:

- | | |
|-------------------|----------|
| ❖ Persian (Farsi) | Native |
| ❖ English | Moderate |
| ❖ Arabic | Basic |
