WORK HISTORY

Please find my work history:

Plumbing and fixing electrical engine 2012	<i>Mahd Azin</i>	Nov 2010-Nov
Supervisor of fixing welding and turning workshop	<i>Pishkesvatan Co.</i>	Nov 2012-Aug 2015
Operator of boiling turbine	<i>Mashhad Power Plant St.</i>	Aug 2015-Sep 2017
Maintenance and operator of industrial vehicle	<i>Meta Rah Co.</i>	Sep 2017-Now

HONORS

- Cooperating in two periodic repair of power Units (Being involved in overhaul mechanical engines)
- Providing consent of Mahd Azin, Pishkesvatan and Meta Rah companies for being active and productive period of cooperation
- Consistent letter of employer for cooperation in demolishing the old cooling tower as volunteer

VOLUNTEER EXPRIENCES

- Engineers group of Mashhad-IRAN to share idea for automation industry
- Engineers group of Mashhad-IRAN to environmental activity
- Supervisor for demolishing the old cooling towers of Skoda units of Mashhad Power Plant St.

SOFTWARE SKILLS

Technical Skills

- SolidWorks
- Catia ○
MS Office
- ICDL

OTHER SKILLS

- Welding ○ Lathe operating
- CNC
- Cutting by air pressure
- Fix and maintenance of pumps and compressors

PERSONAL INTERESTS

Traveling | Reading | Studding | Researching
