RE: Vaccine Electrical Production Facilities Operator

Dear Hiring Manager,

My name is Julius Lauza. I am interested in an opportunity to join your team as Vaccine Electrical Production Facilities Operator which I came across online. I am currently a licensed Master Electrician with 17+ years experience. I also obtained a 309A and have worked as an Electrical Construction and Maintenance apprentice. I currently hold a role as a Field Operations Manager. I think my skill set and my work ethic is a good fit for this position.

I have attached my resume for your review. If you have any questions I can be reached by phone at (647) 394-0965 or by email: julius.lauza@gmail.com

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Julius Lauza
