Application to College

Before applying to college you must first have an OpenCCC account.

The OpenCCC single sign-in account allows you to access the online services of the California Community Colleges.

OpenCCC is a service of the California Community Colleges Chancellors Office. The information in your account is kept private and secure.

[Create an Account or Sign In](#)

Click on **Apply online**

Click on **Create an Account**.

If you already have an OpenCCC Account, click on **Sign In**.

Follow the prompts to either create your new account or update your existing one. After creating a new account, you will receive an email from support@opencccc.net that will include your new OpenCCC ID number.

Save your OpenCCC logon and password credentials. If you should apply for any other Community Colleges in CA, you will be able to use them for this system.

Next, the system will direct you to fill out the Application for Admission to Ohlone College. If you are asked to choose a semester, enter the one as instructed or the current semester. If you are asked for a topic of study, choose one closest to the class in which you are enrolling. Review the application and submit. You will receive a confirmation page with the following information:

Your application for admission has been submitted to Ohlone College. Thank you.
