PROXIMATE AUDIENCE PYROTECHNICS

(State Fire Training FSTEP 7 contact hours)

Date: March 21, 2018

Time: 0800 - 1700

Location: SAP CENTER

525 W. Santa Clara Street
San Jose, CA 95113

Course Objectives:

Educate and inform both public safety agencies and the private sector interests regarding proximate audience pyrotechnic safety in California. Discuss and demonstrate the proper use, handling, storage, and transportation of special effects and how they are used within the industry. Provide a leadership role in educating local government agencies throughout the State by standardizing regulatory safety requirements for proximate audience pyrotechnics. Review laws and regulations governing permits, licensure, inspection practices, pre-production, operations, post production, and open flames for various types of venues. Course incorporates live proximate audience pyrotechnics demonstration.

Attire: Business casual attire or uniform. (No shorts or open toe shoes, no exceptions!)

Cancellation: You must cancel the week BEFORE class starts or your fee will be retained.
