

The Milpitas and Palo Alto Fire Departments are pleased to offer

CA-219, Wildland Firefighting - Firing Operations

This course provides information and develops skills required to perform and hold firing operations on wildland fires and prescribed burns. This course contains a mix of online and instructor-led training including live fire exercises. The students will be engaged in wildland firefighting and firing operations. Students are required to complete the online training portion of the course and pre-course quizzes prior to taking the instructor-led training.

DATES: June 13 - 16, 2022

0800 – 1800 each day. Live fire days may go longer.

Attendance on all days is mandatory. There will be no provision for make-up and students who miss any portion of the class will not receive credit for the course.

Pre-requisites: Firefighter Type 1 (FFT1) and S-290, Intermediate Wildland Fire Behavior (classroom only – **online S-290 is not acceptable**). This course also requires approximately 4 hours of mandatory pre-course work.
