

The Milpitas and Palo Alto Fire Departments are pleased to offer

S-215, Fire Operations in the Wildland/Urban Interface

This course is designed to assist structure and wildland fire fighters who will be making tactical decisions when confronting wildland fire that threatens life, property, and improvements, in the wildland/urban interface.

DATES: March 14 – 17, 2022

0800 – 1700 each day

Attendance on all four days is mandatory. There will be no provision for make-up and students who miss any portion of the class will not receive credit for the course.

Registration

To register for the class, please email the South Bay Regional Public Safety Training Consortium at firereservations@theacademy.ca.gov or call (408) 229-4299.

Note – due to evolving Covid protocols, students who register should regularly monitor their email for course updates.

Lead instructor will be Phil Dye of Prometheus Fire Consulting LLC. Phil is a 25+ year veteran of the fire service and a leader in wildland and prescribed fire education.
