your "home away from home"

greetings from the general manager -

This year we are striving to create experiential travel packages and affordable vacation opportunities for families, friends and loved ones to get the very most out of their vacation while staying at The Sands at Grace Bay. We want our guests to leave their worries at home and simply enjoy each other's company in one of the Caribbean's most breathtaking beach-front locations.

We recently unveiled a brand new website that is much more user-friendly, interactive and easily allows visitors to access an array of resort information so you can flawlessly plan your ideal Caribbean getaway. Visitors who have not yet stayed with us can get a glimpse of the laid-back yet luxurious feel that our resort offers by perusing our website's enhanced image gallery or taking a YouTube video tour of the resort from the comfort of your own homes.

We look forward to welcoming you to The Sands at Grace Bay – where you will immediately feel like you are "home away from home" – in tropical paradise.

Warm regards,

Pierre Beswick
