But – oh, so fleeting. These enchanting precursors to the Wellness Cottages at the Dune Spa are a delicious foretaste of what is to come. Experience them while you can, before the page is turned.

SPA JOURNEYS

Long Bay Spa Ritual / 90 minutes

This luxurious treatment begins with the exotic island body scrub, a gentle brown sugarcane body polish blended with pure white sand from Long Bay Beach, Salt Cay sea salt and organic coconut oil for a thorough exfoliation of the entire body, to leave the skin feeling smooth and soft. Next, a rhythmic lomi-lomi massage using warm sand pouches to loosen muscles and nourish the skin. Finally, organic frangipani oil is swept over the skin; its subtle golden pearls leave a sun-kissed glow and a delicate scent of gardenia honeyed flowers.

Twilight Ceremony / 120 minutes

When dusk announces the day's end, and vibrant turquoise and yellows splash across the heavens, it's time for the twilight ceremony. Candles illuminate an energy cleansing ritual – known as a sermoni netwayaj – performed with sage smoke and chajman prayers. The sounds of the Long Bay breeze drifting through traditional hand crafted wind chimes heightens the experience, encouraging thoughtful meditation while empowering the spirit. Twilight Ceremony imbues guests with positive energy balance, preparing them to receive a tailored massage of their choice.

The Shore Club Spa Sensation – Family Vibes.

After an exquisite day at the Shore Club, friends and family will have the unique opportunity to enjoy a delightful twilight on pristine Long Bay Beach, listening to the cascading waves and observing the approaching night sky. The Spa Manager will create a personalized spa journey tailored to your preferences to offer the most relaxing experience of a lifetime in one of the world's best locations for star-gazing. If you wish, The Executive Chef will create a personalized after-dinner tasting menu tailored to your preferences, complemented with skilled wine pairings by the Sommelier.
